

By View Point Developments

Tucked nicely away on the Sealstown Road, Cotton Mount is an exciting development of contemporary homes. The clever design offer 2, 3 and 4 bedroom options with generous layouts finished to a high turnkey specification for relaxed everyday living.

Set within the heart of BT36, these homes benefit from a semi-rura aspect as well as being within close proximity of the M2 motorway making it ideal for commuters travelling to Belfast, Ballymena and beyond. Cotton Mount also offers the space you need for modern lift and comfort. There is an abundance of local amenities only a sho drive away, including shops and cafes, Abbey Centre Retail Park, Primary and Grammar schools and excellent public transport links

Providing quality homes for modern living.

View Point Developments was founded in 2004 by Ben Snoddon and Justin McClay. They are dedicated and passionate about providing quality construction in Northern Ireland. As the two Managing Partners, they have developed their business knowledge and quality craftsmanship over the years to become a highly progressive construction and property development company focussed on delivering attention to detail and high quality results.
